As Trustee of all the property and buildings in this Trust, I wish to inform you I am opposed to the Avondale annexation plan that includes are properties. Robert Blazer spoke to John Quinn this past Saturday October 11, 2014 at 5 pm in the afternoon in our market conference room, and told him we did not want to be included in the Avondale annexation plans. He also said this to the Avondale Men's Club in front of the press this past September 25<sup>th</sup>, 2014. Let this letter serve as formal written notification of the fact that I, Barbara Blazer, Trustee of the Robert W. Blazer Grantor Trust C, am opposed to being annexed into the City of Avondale.
